EightCAP, Inc. improves our community by partnering with private, government, and community organizations to deliver programs to low-income residents that alleviate the local causes of poverty and its effects. Programs offered through EightCAP are as follows:

COMMUNITY SERVICES - EightCAP, Inc. Community Services assist income-eligible households with heat and utility assistance, food distributions, medical prescription copays, and various needs depending on funding availability. Community Services also offers assistance with food pantry information and distributions, and referrals to other services not provided by EightCAP. The Emergency Assistance Application is located on our website, www.8cap.org.

HOUSING PROGRAMS – EightCAP, Inc. Housing Programs assist low-income households with rental assistance, deposit assistance, emergency shelter (hotel/motel vouchers) and limited utility payment assistance. These services are offered through the Emergency Solutions Grant and the Emergency Shelter Program. As the Housing Assessment and Resource Agency (HARA) in the county, EightCAP registers and places homeless households on the Housing Choice Voucher Waitlist with a Homeless Preference Code.

Through the Supportive Services for Veterans Families, services can include rental assistance, deposit assistance, emergency shelter stays, moving costs, emergency housing services, transportation assistance and limited car repair assistance. These services are available to low-income households, who have served at least one-day active duty and were discharged under any other circumstances than dishonorable.

The Rapid Rehousing Program is available to literally homeless households (some conditions may apply). This program may pay up to 18 months of rental assistance and security deposit. It is an intensive case management program where clients work to address barriers that are present and develop skills to retain housing and become self-sufficient.

The HUD Rapid Rehousing Program is an income-based program available to literally homeless households. This program provides intensive case management, as well as up to 24 months of rental assistance and security deposit.

Commodity Food Distribution Sites, Income Guidelines & Schedules For October 1, 2022 – September 30, 2023

Remain in your vehicle and safely pull your vehicle into line at the food truck. Participants will not sign for the food boxes; a representative will check you in and then place your food boxes in your trunk. DO NOT ENTER THE BUILDING. Thank you.

The **Commodity Supplemental Food Program (CSFP)** is a food program for those 60 and over who fall within the income guidelines listed below. For those eligible, supplemental boxes (2) of food are delivered every other month at a site(s) in each county. Two boxes are allowed every other month (One box for each month).

Environmental Health Division seeks to protect public health through the application of inspection and permitting activities in the areas of food service, sewage disposal and water supply, housing, nuisance abatement, and solid and hazardous waste elimination. Interaction with the public and with other regulatory agencies provides opportunity for information to be exchanged, and for hazardous situations to be abated.

Hours for Environmental Health Division: Monday – Friday 8:00 am – 4:00 pm

Personal Health:

Hours for Personal Health are as follows: Monday, Tuesday, Thursday, & Friday 8:30 am – 4:30 pm and Wednesdays 11:00 am to 7:00 pm.

Services Offered:

Women Infants, and Children (WIC) is a supplemental food and nutrition program for pregnant women and children 0 to 5 years of age.

Eligibility can quickly be determined with a phone call to the WIC Office (616) 527-5337.

- Nutritional assessments and services are provided by a Registered Dietitian.
- Supplemental foods include yogurt, milk, cold and hot cereals, cheese, eggs, bean and peanut butter choices and bread.
- Special formulas are available for infants with feeding difficulties
- Within WIC there is a program focusing on breastfeeding provided by an Internationally Board Credited Lactation Counselor that includes classes and support groups to help mothers get started breastfeeding and to continue breastfeeding for as long as possible.
- Fluoride Varnish is a program for Medicaid clients 0 to 3 years of age; its purpose is to prevent childhood dental cavities.

General Communicable Disease Control:

- Some infectious diseases are required to be reported to the Health Department by physicians and to the State of Michigan Department of Health and Human Services. Staff are knowledgeable and will help with that process. Some examples of reportable diseases are tuberculosis, hepatitis, rabies, meningitis, and others. Staff are available to answer any questions at (616) 527- 5341.
- Lead testing or screening is a program under Communicable Disease (CD) and available for children that are 12 months to 6 years of age. The screening test is a “finger poke” and if it is within normal range there is nothing more that needs to be done. If the screening results are high, a follow-up blood test is performed at the hospital and CD staff will assist you in discovering the environmental source of lead, order follow-up routine testing, offer information regarding making your home safer and nutritional tips to help keep your child stay healthy.
- Sexually Transmitted Infections offers testing for Chlamydia, Gonorrhea, and HIV. Chlamydia and Gonorrhea infections of individuals and their partners can be treated at the health department. HIV testing, if positive, requires referrals for further testing and medical care. All services are confidential.

Maternal Infant Health Home Visiting Program:

- This program is supported by Medicaid and/or a Medicaid Health Plan. The Program offers nursing and social work support, and nutritional services to pregnant women regarding pregnancy-related issues.
- After the baby is born, the program offers assistance with parenting skills, assessment of normal growth and development and assistance securing additional resources needed for the family.
- The maternal/infant program is intended to supplement prenatal and infant medical care by identifying health risk factors and delivering prescribed interventions.
- The ultimate goal of the Maternal Infant program is to promote healthy pregnancies and healthy babies.

Hearing and Vision screening for preschool and school aged children:

- Technicians provide both hearing and vision screenings in the schools.
- Hearing and Vision clinics are held periodically at the Health Department, by appointment. Call (616) 527-5341 to schedule a hearing and/or vision appointment.
- Any child that fails the screening exams is referred to a licensed eye doctor or an Ear, Nose, and Throat specialist for further evaluation as vision and hearing problems can lead to difficulties both at school and at home.

Children's Special Health Care Services is a mandated Public Health program for children and youth with special health care needs and their families:

- Experienced staff provide required program services that include information regarding covered medical services including paying specialty medical bills, diagnostic referrals, transportation, family support sources, and knowledge of any additional community resources that could be of assistance to the family. Families of all incomes are eligible to join, including those with other health insurance.
- The goal of CSHCS is to help individuals with special health care needs to have improved health outcomes through appropriate medical care, health education and support.
- CSHCS promotes and incorporates parent/professional collaboration in all program aspects.
- If you have a child with special physical health care needs, please call 616-527-5341 ext. 442.

Immunizations are available to children and adults at ICHD walk-in clinics.

- Hours for Immunization clinics hours are as follows: Hours are subject to change at any time.
